DETAILED ACTION

Election/Restrictions

Applicant's election of Group I, claims 1-18 and 23 in the reply filed on 18 May 2006 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Cancel claims 20-22.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: in view of the timely filed Terminal Disclaimer, the rejection of claims 1-18 and 23 on the ground of

Art Unit: 1711

nonstatutory obviousness-type double patenting as being unpatentable over claims 1-17 of U.S. Patent No. 6,348,524, is hereby expressly withdrawn. Neither reference to Bastioli et al (US 5,874,486) nor Bastioli et al (US 6,277,899) are deemed to contain the specific interfacial agents which are esters obtained from a polyol or a mono- or polycarboxylic acid having a dissociation constant pK lower than 4.5 and an HLB value greater than 8, as recited. The references claim the use of esters and amides of fatty acids with 12 to 22 carbons, which would have an HLB of at most 5.5, as pointed out in the Response filed 12 October 2006. As such, the claims are not obvious from either document and the obviousness-type double patenting rejections thereover are expressly withdrawn. Since there are no other outstanding issues with regard to the clarity or enablement of the claims, these claims are deemed to contain allowable subject matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
